Yes, you can save Money on your pet's prescriptions

If your pet's medication is a FDA approved (NDC coded), human drug, you may be able to use the "My Free Pet Savings Card" to save money on your pet's prescriptions. Ask your veterinarian if your pet's medication is a human drug. If it is, ask your veterinarian for a prescription to take to your local pharmacy. The prescription will need to be in your name referencing you pet. **Visit our web site www.myfreesavingscard.com/affiliate/sites/1003 to learn more.**
